

Subject: NOTICE OF CHANGE TO SDSU SUPPLEMENTAL APPLICATION START DATE
Sent: September 23, 2008

All SDSU transfer applicants must submit an additional online supplemental application, which will be available to applicants December 1, 2008. The supplemental application was originally available to students beginning October 1. The date was been changed so that the application may be reformatted to make it easier for the students to complete.

Question: www.sdsu.edu/admissions.
